

THE INVITED LECTURER SCHEME

To reinforce or extend its international cooperation in education and research activities, the University of Lille has set up the "invited lecturer" scheme. Polytech lille is thus able to propose candidates from its partner universities

Mobility duration

The mobility duration is 1 week to maximum 1 month.

Conditions

The University of Lille bears the costs of transport, accommodation, meals and hours of intervention.

Schedule

Two calls for applications are launched each year, the first one, in Autumn, the second one during spring. To apply, contact your correspondent at the university of Lille.
